b) Docket No. T00-0025

Petition (1) to interconnect the traffic signals at the intersection of U.S. 24 and Second Street with the railroad warning devices at the Second Street at-grade crossing of the TP&W single main line track and to establish the amount of minimum preemption time provided by TP&W to the Department for the traffic signal preemption sequence at said intersection, (2) to interconnect the traffic signals at the intersection of U.S. 24 and Third Street with the railroad warning devices at the Third Street at-grade crossing of the TP&W single main line track and to establish the amount of minimum preemption time provided by TP&W to the Department for the traffic signal preemption sequence at said intersection, (3) to interconnect the traffic signals at the intersection of U.S. 24 and Fourth Street with the railroad warning devices at the Fourth Street at-grade crossing of the TP&W single main line track and to establish the amount of minimum preemption time provided by TP&W to the Department for the traffic signal preemption sequence at said intersection, (4) to interconnect the traffic signals at the intersection of U.S. 24 and Fifth Street with the railroad warning devices at the Fifth Street at-grade crossing of the TP&W single main line track and to establish the amount of minimum preemption time provided by TP&W to the Department for the traffic signal preemption sequence at said intersection and (5) to interconnect the traffic signals at the intersection of U.S. 24 and Eighth Street with the railroad warning devices at the Eighth Street at-grade crossing of the TP&W single main line track and to establish the amount of minimum preemption time provided by TP&W to the Department for the traffic signal preemption sequence at said intersection, all of which are located in Watseka, Illinois.

NOW COMES Respondent, State of Illinois, Department of Transportation, Division of Highways, ("Department"), by its attorney Jim Ryan, Illinois Attorney General, and respectfully requests that the Commission continue this matter and in support of its Motion to Continue, states as follows:

1. That a hearing on this matter is currently scheduled for May 9, 2000, before the Commission at its Springfield offices.

DOCKED

2. That the Department's main witness is unable to appear before the Commission on said date due to a schedule conflict.

WHEREFORE, the State of Illinois, Department of Transportation, respectfully requests that the Commission grants its Motion to Continue and reschedule a hearing to be held on this matter.

Respectfully submitted,
